INTERNAL DOORS & SCREENING SYSTEM

Our modern internal screening system features elegant slim lines to create a light and airy interior environment.

Whether you are looking to replace the doors from your conservatory into your lounge or are just looking to change an open plan layout into separate spaces then the internal Steel Look door is for you.

With a choice of hinged single and double doors, as well as sliding options to accompany the stylish fixed glazed screen, this flexible and versatile system provides almost limitless design options.

The internal Steel Look system requires minimal maintenance, with the high quality design providing many years of assured, reliable and robust performance.

Hinged Doors

With a range of width, glazing, hinge and furniture options, our doors can be configured to suit any design theme, from traditional to minimalist and contemporary to industrial.

Fixed Screens

To create a room filled with light, choose our popular fixed screen option to define your living spaces.

Sliding Doors

Sliding doors provide the option to close or partially open the internal screen, with a choice of a contemporary or vintage rail options to echoe the overall design.
