We use the Brisant Secure handle as standard on our SmoothFold doors. The smooth curved edgeless form of this handle not only looks good but offers a level of security which is hard to beat as it is impossible for mole grips or pliers to grip. This coupled with leading anti corrosion performance, 30 times better than the required standard, means that the handles you supply will continue looking sweet for years to come – Brisant are so convinced they guarantee this for 20 years!

Handles available in Anthracite, White, Gold, Stainless Steel, Black, Chrome and Rose Gold.
